

II. Remarks Concerning the Amendment

This amendment is in keeping with the response to the Notice of Omitted Item(s) in a Nonprovisional Application, mailed May 13, 2004. No other references to Figures 1F or 1G are made in the disclosure.

The deletion of "photos of" is offered to be made at the Patent Office's discretion as a factual correction that does not impact the subject matter of the application.

Respectfully submitted,
